### Our policy on wear and tear

During the service life of **your insured motorcycle**, normal degradation will naturally occur to some components, **we** term this 'wear and tear'. For instance, components which are subjected to constant or sustained periods of movement, such as suspension bushes/ball joints and steering joints, would be subject to wear and tear. Dependant on the age and mileage of **your insured motorcycle**, **we** may not be able to cover this type of failure and the cost of replacement will be **your** responsibility.

However we have included all insured components even if the failure is due to normal degradation (wear and tear) up to 100,000 miles from the date of registration. In addition, if a component has previously been replaced with a BMW genuine part, the same rule will apply, in this case evidence of mileage at fitment will be required.

### Repairs exceeding the maximum claims liability

If the cost of repair is more than the maximum total claims liability for the **insured motorcycle**, **you** will agree to meet the rest of the cost for the repair at a BMW Motorrad Authorised Retailer or BMW Motorrad Service Authorised Workshop.

In the event that **you** decide not to proceed with the repair at a BMW Motorrad Authorised Retailer or BMW Motorrad Service Authorised Workshop **we** will not be responsible for any costs of repair.

To receive full BMW Motorrad Insured Emergency Service cover **you** must have chosen this when **you** purchased **your** policy and paid the premium when due. If this is applicable to **your** policy it will be shown on **your confirmation letter**.

# BMW Motorrad Insured Emergency Service United Kingdom and Republic of Ireland Benefits

## Home and roadside assistance

In the event of the **immobilisation** of **your motorcycle**, whether at home or elsewhere, **we** will arrange assistance for **you**. Whenever practical, **we** will endeavour to arrange assistance by a BMW Customer Service Vehicle, but if the problem cannot be resolved at the roadside, **we** will pay the costs of taking **your motorcycle** to the nearest BMW Motorrad Authorised Retailer or BMW Motorrad Service Authorised Workshop or to the BMW Motorrad Authorised Retailer or BMW Motorrad Service Authorised Workshop nearest to **your** home address in the **UK** or **Republic of Ireland**.

## Storage

If **your motorcycle** has to be stored following recovery by BMW Motorrad Insured Emergency Services, **we** will pay for the cost of storage up to a maximum of £50.

## Onward travel/hotel accommodation

Following assistance and in the event that repairs to **your motorcycle** cannot be completed within four hours as a result of **immobilisation**, **we** will, whenever possible, organise and pay for **you** and **your passenger** to continue **your** journey or return home by the most appropriate means. Alternatively, if breakdown occurs more than 50 miles from **your** home address and overnight accommodation is a more practical option, **we** will pay for the cost of bed and breakfast for **you** and **your passenger** up to £100 per person

(£150 in Greater London). The maximum allowance under this benefit is £500 including VAT.

## Replacement transport

In the event that, following assistance by BMW Motorrad Insured Emergency Services, **your motorcycle** cannot be repaired within four hours, **we** will, whenever possible, organise and pay for alternative mobility for up to two days. The rental provider will need to see **your** valid driving licence and **you** will be asked for a deposit to cover fuel charges and any additional days hire. For further information please refer to the Terms and Conditions relating to **United Kingdom** and **Republic of Ireland** Cover on page 25.

## Motorcycle redelivery

Provided that **your motorcycle** has been recovered by BMW Motorrad Insured Emergency Services to a BMW Motorrad Authorised Retailer or BMW Motorrad Service Authorised Workshop other than **your** local BMW Motorrad Authorised Retailer or BMW Motorrad Service Authorised Workshop, **we** will arrange for it to be returned to **your** home address in the **UK** or **Republic of Ireland**. Alternatively, if **you** wish to collect **your motorcycle** personally, **we** will pay the appropriate transport costs to enable **you** to do so.

# BMW Motorrad Insured Emergency Service Terms and Conditions Relating to United Kingdom and Republic of Ireland Cover

All costs quoted within this document are inclusive of VAT.

## Replacement transport

Whenever possible BMW Motorrad Insured Emergency Services will attempt to provide **you** with a loan motorcycle from the repairing BMW Motorrad Authorised Retailer or BMW Motorrad Service Authorised Workshop. If **we** are unable to do so then alternative mobility will be provided through one of the major rental companies. Under any circumstances **you** must be able to comply with their conditions of hire.

**You** will be responsible for any fuel costs incurred during the period of hire. Certain endorsements on **your** licence may prejudice **your** eligibility to hire a motorcycle. Insurance requirements stipulate that **you** must have held a full **UK** driving licence for a minimum of 12 months.

## Release fees

Should **your motorcycle** be stolen and subsequently recovered by the police, **you** may be asked to pay a release fee before **we** can remove **your motorcycle** to a BMW Motorrad Authorised Retailer or BMW Motorrad Service Authorised Workshop or to **your** home address. Although **we** can arrange to guarantee these costs on **your** behalf, the payment of such fees is **your** responsibility.

## Specialist charges

In the event that the use of specialist equipment is required to provide assistance when **your motorcycle** has, for example, left the highway, is in a ditch, is standing on soft ground, sand, shingle, stuck in water or snow or has been immobilised by the removal of its wheels, **we** will arrange recovery but **you** will be responsible for the costs. The costs may be refundable under the terms of **your motorcycle** insurance policy.

## Adverse weather conditions

On those occasions when **we** experience adverse weather conditions, such as high winds, snow, floods, etc., external resources may be stretched and some operations become physically impossible until the weather improves. At such times, **our** priority is to ensure that **you** and **your passenger** are taken to a place of safety and so the recovery of **your motorcycle** may not be possible until weather conditions permit.

## Incorrect fuel

If **your motorcycle** is immobilised as a result of refuelling with incorrect fuel, **we** will pay for the cost of recovering **your motorcycle** to the nearest BMW Motorrad Authorised Retailer or BMW Motorrad Service Authorised Workshop. The additional benefits detailed in this **BMW Motorrad Insured Warranty** handbook will not be provided in the event of refuelling with incorrect fuel.
